EDUCATION

Ph.D. Social-Personality Psychology, Graduate Center, CUNY, New York, NY (expected 2016)

B.A. Psychology, Purchase College, SUNY, Purchase, NY *Magna Cum Laude* (2009)

TEACHING TRAINING

Interactive Technology and Pedagogy Certificate (expected 2015). This certificate program provides students with the critical skills to reflect on and then design and implement a range of interactive digital technology solutions for use in teaching, primarily at the college level.

Seminar and Practicum on Teaching Psychology. Course completed which provided a foundation for developing and teaching a course, appreciating criteria for effective instruction, understanding the challenges in effective classroom management techniques and student assessment strategies, and appreciating issues related to teaching a diverse student population.

Instructional Issues, Individual Differences, and Group Processes. Course completed which covered different teaching techniques taking into account cultural, socioeconomic, and linguistic diversity. Non-cognitive aspects of learning - expectations, motivation, and social roles and relationships – were also covered.
